MUHAMMAD FAISAL

FRONT-END WEB DEVELOPER

ABOUT ME

I am Muhammad Faisal, a front-end web developer with a passion for creating user-friendly and visually appealing web interfaces. After starting my coding journey in 2020, I have focused on developing my skills in front-end technologies like HTML, CSS and JavaScript. While my experience comes from personal projects, I am eager to contribute these skills and gain real-world experience in a professional environment.
